Acknowledgements	ix
Introduction	xi
How to use this book	xi
Revision	xi
The Examination	xii
1 Basic Bioscience	1
1.1 Theoretical Work Summary	1
1.2 Practical Work	7
1.3 Examination Work	10
1.4 Self-test answers to objective and structured questions	16
2 Variety of Living Organisms	18
2.1 Theoretical Work Summary	18
2.2 Practical Work	33
2.3 Examination Work	34
2.4 Self-test answers to objective and structured questions	42
3 Cells, Tissues, Organs and Organisation	43
3.1 Theoretical Work Summary	43
3.2 Practical Work	48
3.3 Examination Work	49
3.4 Self-test answers to objective and structured questions	56
4 Plant Nutrition	57
4.1 Theoretical Work Summary	57
4.2 Practical Work	62
4.3 Examination Work	65
4.4 Self-test answers to objective and structured questions	72
5 Animal Nutrition	73
5.1 Theoretical Work Summary	73
5.2 Practical Work	83
5.3 Examination Work	84
5.4 Self-test answers to objective and structured questions	89
6 Transport	91
6.1 Theoretical Work Summary	91
6.2 Practical Work	98
6.3 Examination Work	102
6.4 Self-test answers to objective and structured questions	109

7	Respiration	112
	7.1 Theoretical Work Summary	112
	7.2 Practical Work	121
	7.3 Examination Work	124
	7.4 Self-test answers to objective and structured questions	132
	Growth	134
	8.1 Theoretical Work Summary	134
	8.2 Practical Work	142
	8.3 Examination Work	144
	8.4 Self-test answers to objective and structured questions	151
	Homeostasis	153
	9.1 Theoretical Work Summary	153
	9.2 Practical Work	158
	9.3 Examination Work	159
	9.4 Self-test answers to objective and structured questions	164
	Irritability	166
	10.1 Theoretical Work Summary	166
	10.2 Practical Work	173
	10.3 Examination Work	173
	10.4 Self-test answers to objective and structured questions	179
	Support and Movement	182
	11.1 Theoretical Work Summary	182
	11.2 Practical Work	187
	11.3 Examination Work	187
	11.4 Self-test answers to objective and structured questions	194
	Reproduction	196
	12.1 Theoretical Work Summary	196
	12.2 Practical Work	206
	12.3 Examination Work	207
	12.4 Self-test answers to objective and structured questions	216
	Genetics and Evolution	218
	13.1 Theoretical Work Summary	218
	13.2 Practical Work	224
	13.3 Examination Work	224
	13.4 Self-test answers to objective and structured questions	232
	Organisms and the Environment	234
	14.1 Theoretical Work Summary	234
	14.2 Practical Work	239
	14.3 Examination Work	241
	14.4 Self-test answers to objective and structured questions	251
